402 *Probationary Period*

The *Wayne County Civil Service Rules* provide for the following, which is applicable to employees appointed, promoted or transferred pursuant to the Civil Service laws. Additional provisions may also apply in accordance with those rules.

Purpose of Probationary Period – The purpose of the probationary period is for an employee to become familiar with the specific duties and responsibilities of the employee's new position. The probationary period also provides supervisors with an opportunity to evaluate the employee's job performance and potential for development in the position.

Length of Probationary Period (Competitive Class) – Except as otherwise provided in the *Wayne County Civil Service Rules*, an employee appointed from an open-competitive list must serve a probationary period of not less than twenty-six (26) weeks nor more than fifty-two (52) weeks. The length of the probationary period may be extended in accordance with the *Wayne County Civil Service Rules*.

Length of Probationary Period (Other Classes) – Except as otherwise provided in the *Wayne County Civil Service Rules*, an employee's original appointment to a position in the exempt, non-competitive, or labor class shall be for a probationary period of not less than eight nor more than twenty-six weeks. The length of the probationary period may be extended in accordance with the *Wayne County Civil Service Rules*.

Successful Completion of Probationary Period – An employee's appointment will become permanent upon written notice that the probationary period has been successfully completed following the minimum period of service required. Or, the employee's appointment will become permanent upon the retention of the employee after completion of the maximum period of service required. Except as otherwise provided by law,

completion of the probationary period does not necessarily confer rights or privileges in the position.

If the performance or conduct of an employee serving a probationary period who has been promoted or transferred from a permanent appointment (as defined by Civil Service regulations) is not satisfactory, the employee shall be returned to the employee's former permanent position prior to the end of the probationary period.

403 *New Employee Orientation*

Procedure – The purpose of the new employee orientation is to welcome new employees and to familiarize them with the District and their job. The orientation process generally consists of, but is not limited to, a tour of the employee's assigned worksite, distribution and review of this Employee Handbook, and enrollment in benefit plans, if applicable. In addition, the employee's supervisor is responsible for introducing the employee to co-workers, scheduling on-the-job training, and reviewing the job description and performance requirements of the position.

404 *Performance Appraisal*

Statement of Purpose – The purpose of a performance appraisal is to evaluate employee performance. The performance appraisal will take into consideration criteria that properly reflect the employee's performance including, but not limited to, the employee's work quality, job knowledge, initiative, attendance, teamwork, conduct, and communication skills. The employee's performance appraisal may be considered in determining a pay increase and/or as a factor in promotion or disciplinary action.

Frequency – An employee will be formally evaluated prior to completion of a probationary period. For information about probationary period please see section 402 of this Employee Handbook. Performance reviews will take place on an as needed basis to promote communications between supervisors and employees, encourage more effective job performance, and address concerns.

Written Report – When appropriate, the performance review may include a written report to ensure proper understanding of the issues addressed. Should deficiencies be recorded in the performance of the employee, the employee will receive written recommendations for improvement. The employee will be given the opportunity to include written comments on the report, which will become part of the employee's personnel file.

Procedure of Performance Appraisals – The staff will conduct a self review of the quality, quantity and efficiencies within their efforts in the work place and submit it to the District Manager for review with the Personnel Committee. Once the District Manager has reviewed the submitted, an interview will be conducted where at the time, the staff member will be able to make a presentation. Following the presentation the Personnel Committee will decide on a recommendation that will be presented to the Board of Directors at the next proceeding monthly board meeting.

Note: Annual Appraisals will be conducted the second business quarter to coincide with the County Budget cycle, but does not limit the Board or District Manager to call for a performance appraisal at any other time deemed necessary.

Certifications

Achievement of a Board approved (either state or nationally recognized) certification will be rewarded upon completion/approval and presentation to the District Board of a \$500.00 increase on base salary pay. This will be in addition to annual performance evaluations. One certification reward can only be achieved once each calendar year.

Certification must be maintained in order to keep the incentives or payment will be discontinued.

This incentive is being offered to motivate individuals that strive to develop professionally within their scopes of work. This not only will bring benefit to the District through services opportunities, but also to the individual as a professional employee.

The District recognizes that often times there aren't enough work hours in the day for additional training and work load. This incentive should help for each staff member to see value in time spent in and out of work for professional growth.

The District Board and District Manager reserve the right to review this policy annually.

Management Performance Appraisals

Statement of Purpose – The purpose of a performance appraisal is to evaluate management performance. The performance appraisal will take into consideration criteria that properly reflect the leadership development within the District's performance including, but not limited to, the work quality, job knowledge, initiative, attendance, teamwork, conduct community development, financial management, personnel management, outreach, communication skills and conservation community programming development. The performance appraisal may be considered in determining a pay increase and/or as a factor in promotion through title change or disciplinary action.

Frequency – A manager will be formally evaluated prior to completion of a probationary period. For information about probationary period please see section 402 of this Employee Handbook. Performance reviews will take place on an as needed basis to promote communications between the Board of Directors and employees, encourage more effective job performance, and address concerns.

Written Report – When appropriate, the performance review may include a written report to ensure proper understanding of the issues addressed. Should deficiencies be recorded in the performance of the employee, the employee will receive written recommendations for improvement. The employee will be given the opportunity to include written comments on the report, which will become part of the employee's personnel file.

Procedure of Performance Appraisals for Management – The Board of Directors may request a performance review of management at any time. The Manager will conduct a self review of the quality, quantity and efficiencies within their efforts in the work place and submit a copy to each of the Board member for review. At the same time, the Manager will send out anonymous surveys to each staff member, not including seasonal staff with an

address envelope to the Chairman of the Board. The staff will have the opportunity to fill out the review and send them in to the Chairman of the Board for their comments. The Manager will not see or review these notes. The Chairman of the Board will assess the comments for the presentation date of the performance appraisal. At the next monthly Board of Directors' meeting an interview will be conducted where at the time, the Manager will be able to make a presentation. Following the presentation the Board will excuse the Manager for discussion of recommendations for improvement, or increase in pay. The Manager will be asked to return to the meeting for completion of the review. The District Secretary/Treasurer will be asked to type up the Memo of Recommendations to include any notes or any changes that need to be followed up on by the Manager. The Manager and the Board Chairman will then sign the memo and it will be placed in the personnel file of the current Manager.

Note: Following the probationary period appraisal, Annual Appraisals for Management will be conducted during January each year, but this does not limit the Board or District Manager to call for a performance appraisal at any other time deemed necessary.

405 Corrective Action and Discipline

Policy Statement – It is the policy of the WCSWCD that certain rules and regulations regarding employee behavior are necessary for the benefit and safety of all employees, the efficient operation of the District, and the delivery of services to residents of the District. Any conduct that interferes with operations or that discredits the District will not be tolerated. Each employee must conduct oneself in a positive manner so as to promote the best interests of the District. Corrective action is necessary when an employee has demonstrated performance deficiencies or has violated a policy, rule, regulation, or procedure. Corrective action may include counseling or initiating formal disciplinary action against an employee.

Communication – Open and candid communications with all employees is an important aspect of the WCSWCD's on-going employee relations. When a rule, policy, or procedure is violated, the employee's supervisor, or other designated supervisor, will review the specific nature of the violation with the employee. The employee's input is extremely important to ensure that all of the facts have been considered.

Counseling – Counseling employees, as opposed to initiating formal disciplinary action, may be the appropriate first step in addressing performance deficiencies or misconduct. The purpose of counseling is to inform the employee of such deficiencies or misconduct, discourage its recurrence, and inform the employee of the consequences if the behavior is repeated. When performance deficiencies are the issue, the performance standards of the job should be reviewed, along with specific examples of how the employee is not meeting those standards. Where appropriate, goals for improvement may be established, along with a time frame for achieving them. The counseling will be documented in writing and the employee will be required to acknowledge receipt by signing the memorandum. Any employee who fails to follow a supervisor's directive to sign the counseling memorandum to acknowledge receipt will be subject to disciplinary action.

Discipline – The purpose of disciplinary action is to impose penalties for performance deficiencies or misconduct. In normal circumstances, the District endorses a policy of progressive discipline which includes, but may not be limited to, documented verbal

reprimand, letters of reprimand, suspension without pay, or termination of employment, depending on the circumstances. The District retains the right to discipline employees without engaging in progressive discipline or prior counseling if the situation so warrants and retains the right to discipline employees in any manner it sees fit.

Investigations – Where appropriate, an investigation will be conducted by the proper supervisor or other designated individual(s) in order to gather all pertinent information and to ensure that all the facts are considered. The District reserves the right to suspend an employee while an investigation is conducted.

Procedures – Employees covered by Civil Service Law Section 75 shall be disciplined in accordance with the procedures contained therein. (Refer to Section 407 of this Employee Handbook).

Prohibited Conduct – Any employee who, after investigation, is found to have committed any of the actions listed below will be subject to corrective action, up to and including termination of employment. - Ensure the proper disposal of all trash and waste.

517 Personal Property

Policy Statement – It is the policy of the District to ask each employee to refrain from bringing unnecessary or inappropriate personal property to work. The District recognizes that an employee may need to bring certain items to work. However, employees should take care to ensure that personal property brought to the workplace does not disrupt work or pose a safety risk to other employees.

Personal Liability – An employee is expected to exercise reasonable care to safeguard personal items brought to work. The District will not repair, replace, or reimburse an employee for the damage or loss of the employee's personal property. An employee bringing personal property to the workplace does so at one's own risk.

Security Inspections – Desks, lockers and other storage devices may be provided for the convenience of employees but they remain the sole property of the District. Accordingly, such storage devices, as well as any articles found within them, can be inspected by any agent or representative of the District at any time, with or without notice. The inspection may be made in the presence of the employee. The District is not responsible for loss or damage to personal property placed in such storage devices.

518 District Property

Employee Responsibility – An employee will be responsible for any item issued by the District which is in the employee's possession and/or control, such as, but not limited to, the following:

- Equipment, including protective equipment
- Identification badges
- Keys
- Uniforms
- Books or other reference materials, including this Employee Handbook

Return of Property – All District property must be returned to the District before the employee's last day of work.

519 Unauthorized Work

Policy Statement – An employee may not perform work for any entity other than the District during the employee's authorized work hours, or claim that District work was done

when such is not the case. Employees must devote their full scheduled shift to District business, as assigned.

520 Outside Employment

Policy Statement – It is the policy of the District that an employee may engage in outside work as long as such outside work does not interfere with the employee’s performance standards, pose an actual or potential conflict of interest, or compromise the interests of the District.

Guidelines – The following guidelines have been established for an employee who engages in outside work.

- An employee will be judged by the same performance standards and will be subject to the District’s scheduling demands, regardless of any existing outside work requirements.
- If the District determines that an employee’s outside work interferes with the performance or the ability to meet the requirements of the District as they are modified from time to time, the employee may be required to terminate the outside employment if the employee wishes to remain employed by the District.
- No District equipment, supplies, or other material may be used by an employee on other than District work.
- Outside employment that does or may constitute a conflict of interest is prohibited. An employee may not receive any income or material gain from individuals outside of the District for materials produced or services rendered while performing the employee’s District job.
- An employee may not work on outside employment during any period which the employee is regularly scheduled to work for and is paid by the District.
- A District employee who engages in outside work must notify the person for whom the work is being performed that such work is being done on the employee’s own time and that the employee is not representing the District while performing such work.

Employee Responsibility – A District employee who wishes to engage in outside work is responsible for ensuring that the above guidelines are maintained. Questions should be directed to the supervisor.

600 ABSENCE POLICIES

601 Attendance

Tardiness – An employee must be ready and able to work at the time the employee is scheduled to begin work. In the event an employee is unable to report to work at the scheduled time, the employee must notify the employee's supervisor at least thirty (30) minutes before the employee's scheduled starting time. The reason for tardiness and the expected time of arrival must be indicated to the supervisor.

Daily Notification – In the event an employee is unable to report to work, the employee must notify the employee's supervisor each day of the absence and state the reason for the absence. In the event the absence was pre-authorized, this requirement will be waived.

Scheduled Absences – Requests for scheduled time off, such as the use of vacation leave and personal leave, must be approved by the supervisor in advance. All requests for time off are subject to approval by the employee's supervisor on a case-by-case basis. Refer to the Vacation Leave and Personal Leave sections of this Handbook for further details.

Unscheduled Absences – An employee who is unable to report to work must personally contact the employee's supervisor at least thirty (30) minutes before the employee's scheduled starting time. The employee must speak directly with the supervisor, indicating the reason for the absence and when the employee expects to return to work. Asking another person to call in on the employee's behalf is not permitted. Leaving a message on an answering device or with a co-worker is not permitted. Notification requirements may be waived in cases of emergency.

Unexcused Absences – Notification of an absence to an employee's supervisor does not automatically mean the absence is authorized. Any time off from work that is without approval of an employee's supervisor is considered an unexcused absence. An unexcused absence is without pay and may result in disciplinary action, up to and including termination.

Early Departure – In the event an employee must leave work during the workday, the employee must seek permission from the employee's supervisor prior to leaving.

Leaving the Premises – An employee must obtain prior approval from the employee's supervisor to leave an assigned worksite during working hours due to a non-work related reason. An employee who leaves an assigned worksite during the workday due to business reasons must notify the employee's supervisor in accordance with department policy.

Documentation of Absences – An employee may be required to provide appropriate documentation in justification of any absence. Documentation may include medical verification.

602 Jury Duty Leave

Jury Leave - In the event a full-time or part-time employee is required to perform jury duty on a day the employee is scheduled to work, the employee will receive paid jury duty leave. Such leave will not be subtracted from any of the employee's leave credits. An employee is obligated to notify the Commissioner of Jurors that the District is paying the employee's full pay during jury duty. If the employee receives a jury stipend from the courts, such amount must be reimbursed to the District. An employee can collect and keep any mileage or parking expense reimbursement that may be issued by the court system for performing jury duty.

The District shall pay a temporary or seasonal employee up to \$40 of the employee's wages for the first three days the employee serves jury duty if on those days the employee is scheduled to work for the District. After the first three days, the employee may be eligible for a stipend issued by the court system if the employee continues to serve on jury duty.

Notification of Jury Duty – When an employee receives notice to report for jury duty, the employee must immediately submit a copy of the notice to the employee's supervisor.

Return to Duty – In the event the employee is released from jury duty on a given day and there are two or more hours remaining in the employee's scheduled workday, the employee must report to work. The employee will be allotted time to return home and prepare for work.

Accrual of Benefits – The District will continue to provide health insurance benefits for an eligible employee during the jury leave. Vacation leave, sick leave and holiday benefits will continue to accrue during jury duty leave.

603 Military Leave and Military Leave of Absence

Military Leave (New York State Law) – This section refers only to a paid leave for military service under New York State Law and does not affect an employee's entitlement to leave needed for military service under federal statute. The Wayne County Soil & Water Conservation District recognizes the importance of the Military Reserve and National Guard, and will permit any employee the use of military leave to perform ordered military duty or required training. The District will grant such leave with pay for up to thirty calendar days in a calendar year for annual training or special periods of training. Such military leave beyond the thirty calendar days in a calendar year will be unpaid, however accumulated vacation leave may, at the employee's option, be used at any time during the leave. In accordance with applicable New York State law, the employee may keep all pay received for military service.

Military Leave of Absence (Federal Law) – An unpaid leave of absence for a period of up to the federal statutory limits will be granted to an employee to serve in any of the Armed Forces of the United States. The employee's accumulated vacation leave may, at the employee's option, be used at any time during such leave of absence.

604 Leave for Cancer Screening

Policy – The WCSWCD complies with New York State Civil Service Law which entitles all District employees to paid leave to undertake screening for breast cancer (under §159-b) and prostate cancer (under §159-c). This leave will not be charged against any available sick, vacation, personal, compensatory or other leave accruals. This does not preclude an employee's option to use other available paid leave for this same purpose.

Allowance – An employee will be allowed four hours of paid leave per year for the purpose of undergoing a screening procedure for breast cancer, and four hours of paid leave per year for the purpose of undergoing a screening procedure for prostate cancer (male employees only). Such paid leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to the leave, those hours are not carried forward to the next year. The allowed leave time may include the travel time to and from the appointment and any subsequent follow up consultation visits. In addition, the allowed leave may be staggered throughout the year until the maximum allowance has been reached.

Scheduling – An employee must receive prior approval from the employee's supervisor to take leave for this purpose. The request for leave should be submitted to the supervisor in writing a minimum of two days in advance. The supervisor will have total discretion in the approval of this leave, but will not unreasonably deny such request.

605 Leave for Blood Donations

Policy –The Wayne County Soil & Water Conservation District complies with New York State Labor Law Section §202-j which entitles District employees who work an average of twenty hours or more per week to a leave of absence for the purpose of making a blood donation. This leave of absence will not be charged against any available sick, vacation, personal, compensatory or other leave accruals. The leave allowed under this policy is unpaid. However, this does not preclude an employee's option to use available paid leave for this same purpose.

Allowance – An eligible employee will be allowed a leave of absence of up to three hours per year under this policy. Such leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to this leave, those hours are not carried forward to the next year. The allowed leave may include the travel time to and from the appointment.

Scheduling – An employee must receive prior approval from the employee's supervisor to take leave for this purpose. The request for leave should be submitted to the supervisor in writing a minimum of two days in advance. The supervisor will have total discretion in the approval of this leave, but will not unreasonably deny such request.

606 Time Off To Vote

Policy – The District encourages employees to fulfill their civic responsibilities by participating in elections. Generally, employees are able to find time to vote either before or after their regular work schedule but if an employee is unable to vote in an election during non-working hours, arrangements can be made to permit voting during the workday through use of annual leave time or personal time.

607 **Bereavement Leave**

Eligibility - In the event of a death of a full-time or part-time employee's family member, the employee may take a paid leave of absence from the employee's regularly scheduled work. Bereavement leave days must be taken consecutively and will normally correspond with the funeral service. Such leave will not be subtracted from any of the employee's leave credits. Funeral/Bereavement Leave for seasonal or part-time employees is up to the discretion of the District Manager and may not exceed three (3) days.

Leave Period – Bereavement leave will be granted as shown below:

Deceased Family Member:	# Days of Leave Granted:
Spouse	3

Parent / Step-Parent	3
Sibling	3
Grandchild	3

Extended Bereavement Leave – With authorization from the employee's supervisor, an employee may use vacation leave credits and/or personal leave credits to extend a bereavement leave. The supervisor will have total discretion in the approval of an employee's extended bereavement leave, based upon the needs of the department.

Funeral Falls on Holiday – In the event the funeral falls on a holiday, the following day can be taken as a bereavement day, providing that the next day is a regularly scheduled workday.

608 **Volunteer Firefighters / Emergency Responders**

Policy – In the event an employee is called upon to perform volunteer duties as a firefighter or emergency responder on a day the employee is scheduled to work, the employee will receive paid leave to perform such duties if so authorized. The paid leave is limited to the extent of the employee's regular work schedule. Such leave will not be subtracted from any of the employee's leave credits. Time spent by the employee performing such duties, including driving to and from the scene, will not be included as time worked for purposes of computing overtime. The employee is required to return to the worksite upon completion of the emergency call, unless such call ends after the end of the employee's scheduled work shift.

Documentation Requirements – The employee must account for all time spent responding to emergency calls on the employee's time sheet, including the time the employee left and returned to the worksite. The employee may be required to submit verification of the employee's attendance at such call.

Responding to Calls During Paid Leave – If the employee is on a paid leave from the District (i.e. vacation, holiday, sick, personal, etc.) and the employee responds to a call, the employee will not receive additional compensation from the District and the employee's appropriate leave time will still be charged.

609 Medical and/or Family Leave of Absence Policy

Policy Statement – It is the policy of the Wayne County Soil & Water Conservation District to grant a full-time employee a leave of absence without pay for a period of up to twelve weeks, under certain circumstances related to medical reasons or family care obligations.

Granting of Leave of Absence – The granting and duration of each leave of absence will be determined by the District Board in conjunction with applicable federal and state laws, including Civil Service Law Sections 71, 72 and 73, as applicable, and the *Wayne County Civil Service Rules*.

Types of Leave – The following types of leaves of absence will be considered:

- **Sick Leave of Absence** – Employees who are unable to work because of a serious health condition or disability may be granted a sick leave of absence. This type of leave covers disabilities caused by pregnancy, childbirth, or other related medical conditions. The District requires certification of an employee's need for sick leave, both before the leave begins and on a periodic basis thereafter, by the employee's health care provider.

In addition to leave provided under this policy, employees may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that covered employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Medical and/or Family Leave. Employee should consult with their supervisor for further details regarding this provision.

- **Parental Leave of Absence** – Female employees, when not disabled by pregnancy or childbirth (see above), and male employees may be granted a parental leave of absence to care for a child upon birth or upon placement for adoption or foster care.
- **Family Care Leave of Absence** – Employees may be granted a family care leave of absence for the purpose of caring for a child, spouse or parent who has a serious health condition. The District requires certification of the family member's serious health condition, both before the leave begins and on a periodic basis, by the family member's health care provider.

Eligibility – To be eligible, an employee must meet the following requirements:

- The employee must have completed at least one year of full-time, continuous service during the previous twelve months prior to the date leave commences.
- Spouses who both work for the WCSWCD are allowed a combined maximum of twelve workweeks of leave for the birth or care of a newborn child, adoption or foster

care of a child and to care for such newly placed child, or the serious health condition of a child, spouse or parent, during any twelve month period.

Definitions – For the purpose of this policy, the following definitions will apply:

- **Serious Health Condition** will mean and refer to an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, or any subsequent treatment in connection with such inpatient care; or continuing treatment by a health care provider, including, but not limited to:
 - * A period of incapacity of more than three consecutive calendar days and any subsequent treatment or period of incapacity that also involves continuing treatment by a health care provider;
 - * A period of incapacity due to pregnancy or prenatal care;
 - * A period of incapacity or treatment for such incapacity due to a chronic serious health condition;
 - * A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
 - * A period of absence to receive multiple treatments, including any period of recovery, by a health care provider, or by a provider of health care services under orders of or on referral by a health care provider, for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.
- **Health Care Provider** will mean and refer to a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State in which the doctor practices; or any other person defined in the FMLA regulations capable of providing health care services.
- **Family Member** will mean and refer to:
 - * **Spouse** – husband or wife as defined or recognized under State law for purpose of marriage;
 - * **Parent** – biological parent or an individual who stands or stood in *loco parentis* to an employee when the employee was a son or daughter as defined directly below. This term does not include an employee's parents "in law".
 - * **Child** – biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in *loco parentis*, who is either under age eighteen, or age eighteen or older and "incapable of self-care because of a mental or physical disability". Persons who are "*in loco parentis*" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

Notification Requirements – If the need for leave is foreseeable, the employee must give notice, in writing, to the supervisor at least thirty (30) calendar days prior to the commencement date of the unpaid leave. The employee and supervisor must complete a Leave of Absence Request Form and forward the completed form to the District Manager for review. The failure of an employee to give thirty days' notice of foreseeable leave with no reasonable excuse for the delay may result in the delay of the employee taking the leave until thirty days from the date of notice. When the need for leave is unforeseeable, verbal notice to the employer will be sufficient.

Status Reports – The employee must periodically update the supervisor as to the employee's status and intent to return to work.

Medical Certification – The employee must produce a medical certification issued by a health care provider which supports the need for a leave under this policy. When required, the employee must provide a copy before the leave begins, or if the leave was unforeseeable, fifteen calendar days from the date the certification was requested. Failure to submit medical certification may jeopardize the employee's eligibility for an unpaid leave of absence and/or the ability to return to work. The medical certification must include:

- The date the medical condition began;
- The probable duration of the medical condition;
- Pertinent medical facts; and,
- An assertion that the employee is unable to perform the employee's essential job functions or that the employee is needed to care for a family member for a specified period of time.

The Wayne County Soil & Water Conservation District reserves the right to request a second opinion by another health care provider. The District will pay for the second opinion. In the event a conflict occurs between the first and second opinion, the District may, again at its own expense, obtain a third opinion from a health care provider approved jointly by the District and the employee. This third opinion will be final and binding.

Leave for the Birth, Adoption or Foster Care Placement of a Child – Leave for the birth of a child or the placement of a child for adoption or foster care must conclude within twelve months from the date of the birth or placement.

Certification for Adoption/Foster Care – An employee must produce proper certification from the appropriate agency for an unpaid leave for the adoption or foster care of a child.

Employment Restrictions During Leave of Absence – While on an approved unpaid leave, the employee may not be employed by another employer during the same hours that the employee was normally scheduled to work for the WCSWCD.

Benefits During a Leave of Absence – For the purpose of this policy, the following will apply:

- **Use of Accrued Paid Leave Credits** – An employee taking leave for the birth, adoption or foster placement of a child or to care for a spouse, child or parent with a serious health condition must first use all sick and/or vacation leave credits which will

be included in the maximum twelve weeks of leave. The substitution of paid leave for unpaid leave for these types of leave does not extend the twelve-week period.

For leaves taken due to the employee's own serious health condition, the employee must first use all sick leave and vacation leave credits, which will be included in the maximum twelve weeks of leave. However, in the event that the paid leave credits available are greater than the maximum twelve-week period, an employee may use paid leave credits to extend the leave of absence beyond the twelve-week period, up to a maximum of one year. If, after the completion of the one-year leave of absence, the employee is medically unable to return to work (as determined by a health care provider) and the employee has leave credits remaining, the District Board may authorize an extension of the employee's leave of absence until such benefits are exhausted. However, job reinstatement beyond the one-year leave of absence is not automatic and will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Wayne County Civil Service Rules*.

- **Accrual of Paid Leave Credits** – An employee will continue to accrue vacation and sick leave and receive holiday pay during the portion of the leave that is paid. Paid leave is defined as leave during which the employee continues to use accumulated paid vacation and sick leave. After all such paid leave is exhausted, the remaining leave of absence is unpaid. An employee will not earn paid vacation or sick leave or receive holiday pay for any holidays that may occur during an unpaid leave of absence.
- **Medical Insurance** – During the period of authorized leave under this policy, up to a maximum of twelve weeks, an employee's eligibility status for medical insurance coverage will not change. All employee contributions (if any) must be paid on a timely basis in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium payments or policy coverage are subject to change. In the event the employee fails to return to work after the authorized leave of absence period has expired, provisions of COBRA will apply. In addition, the District may recover the premium that it paid for maintaining the coverage during any period of the unpaid leave except for the following circumstances:
 - * The continuation, recurrence, or onset of a serious health condition of the employee or the employee's eligible family member with proper medical certification; or,
 - * Circumstances beyond the employee's control, such as: parent chooses to stay home with a newborn child who has a serious health condition; employee's spouse is unexpectedly transferred to a job location more than 75 miles from the employee's worksite; the employee is laid off while on leave.

Return to Work – The following conditions for returning to work will apply:

- **Job Restoration** – At the conclusion of the leave of absence, (except for leaves beyond a one-year period) the employee, provided that the employee returns to work immediately following such leave, will be restored to the position the employee held when the leave began, or an equivalent position with equivalent benefits, pay and working conditions. For an authorized leave of absence beyond the one-year period,

job restoration will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Wayne County Civil Service Rules*.

- **Medical Statement** – Before resuming employment, an employee must submit a statement from the employee’s health care provider indicating that the employee is able to return to work either with or without restrictions. The District reserves the right to have the employee examined by a physician selected and paid for by the District to determine the employee’s fitness to return to work either with or without restrictions. Failure to return to work when required may be considered a voluntary termination.
- **Early Return** – An employee who intends to return to work earlier than anticipated must notify the supervisor at least five business days prior to the date the employee is able to return. The supervisor shall in turn notify the District Manager.
- **Extension of Unpaid Leave of Absence** – An employee who wants an extension of the leave previously requested must notify the employee’s supervisor at least two business days from the date the change occurred which necessitates the change in leave time. The District Board reserves the right to approve all leave extensions.

FMLA Statement of Compliance – The WCSWCD complies with the provisions of the Family and Medical Leave Act (FMLA). *The Wayne County Soil & Water Conservation District currently does not employ fifty or more employees who work twenty or more calendar workweeks per year. Therefore, District employees are not presently eligible for leave under FMLA, and will be afforded leave in accordance with the foregoing policy provisions.* If at some point the Wayne County Soil & Water Conservation District should employ fifty or more employees for twenty or more calendar workweeks in the current or preceding year, eligible employees will be afforded leave in compliance with FMLA.

610 Unpaid Leave of Absence

Policy Statement – Subject to the approval of the District Manager, unpaid leaves of absence other than under the Leave of Absence Policy may be available to an employee for personal reasons including, but not limited to, family responsibilities and education.

Request for Unpaid Leave – The employee must submit a request and the reasons for the leave, in writing, to the District Manager at least thirty calendar days prior to planned commencement of the requested leave. Shorter notification may be permitted in cases of emergency. The District Manager, or in the case of the District Manager the District Board, has sole discretion in approving such leave.

Conditions of Leave – The District Manager will specify the duration of an unpaid leave of absence and may impose such other terms, conditions and restrictions on the employee as deemed appropriate. The maximum duration of an unpaid leave of absence may not exceed twelve (12) calendar weeks.

Continuation of Benefits – An employee on an approved unpaid leave of absence may continue to be eligible for medical insurance coverage in accordance with COBRA

Disability benefits and accruals for leave benefits shall be suspended.

Return to Work – An employee who fails to return from an unpaid leave of absence at the scheduled expiration date without giving proper notice or receiving proper authorization shall be conclusively presumed to have voluntarily resigned from employment.

Change in Status – If the reason for the unpaid leave of absence changes, the employee must return to work.

700 COMPENSATION

701 *Wage and Salary*

Rate of Pay – An employee’s rate of pay will be established by the District Board. It is the intent of the District Board to provide salaries and benefits to employees comparable to those provided to Wayne County employees in positions of similar responsibilities. The salary of each employee shall be determined by the District Board based upon the responsibilities of the employee’s position.

Merit Increases – An employee may receive a pay increase based upon the employee’s past performance. The merit increase will be granted at the discretion of the District Board. An employee should be evaluated in accordance with Section 404 of this Handbook, on overall job performance, in technical proficiency, as well as other areas such as motivation, attendance, initiative, judgment, and job attitude.

Incremental Increases – An full time employee shall receive an incremental increase annually upon completion of each of their first six years of employment with the District. Upon the FT employee’s first anniversary date of employment the employee’s base salary shall increase by one thousand (\$1,000.00) and the increment shall be prorated based upon the remaining calendar year and shall be spread evenly among the remaining payroll periods. For the following five calendar years, the employee’s base salary shall increase by one thousand dollars (\$1,000.00) on January 1st thereby providing a new base salary each new year and the increment shall be spread evenly among the calendar year pay periods. In the case of employees that were employed by the District after January 1, 2006, now within the six year increment window, the employee’s base salary shall immediately increase by one thousand dollars (\$1,000.00) as of October 1, 2010, and each shall receive a quarter increment of two hundred fifty dollars (\$250.00) to be spread evenly over the remaining pay periods in calendar year 2010. For the following years not to exceed an employee’s seventh calendar year of employment, an employee’s base salary shall increase by (\$1,000.00) on January 1st thereby providing a new base salary each new year and the increment shall be spread evenly among the calendar year pay periods. This benefit does not affect part time or seasonal employees employed by the Wayne County District.

702 *Compensatory Time*

Authorization – A supervisor may require an employee to work additional hours beyond the employee’s normal workday and workweek. An employee shall receive prior approval from the employee’s supervisor before working additional hours.

FLSA Non-Covered and Exempt Employees – In accordance with the Fair Labor Standards Act, FLSA non-covered and exempt employees will not receive “compensatory time” for any hours worked in excess of the employee’s normal workday or workweek.

FLSA Non-Exempt Employees – In accordance with the Fair Labor Standards Act, an FLSA non-exempt employee will receive “compensatory time” for all authorized time worked over forty hours in a given workweek.

Credit for Paid Leave – Personal leave, vacation leave, and holidays will be included as time worked for the purpose of computing “compensatory time.” Sick leave, bereavement leave, jury duty leave, and all military leave will not be included as time worked for the purpose of computing “compensatory time.”

Compensatory Time – With pre-authorization from the supervisor, a non-exempt employee will receive “compensatory time.” The employee will be credited with the equivalent of one and one-half hours for all authorized time worked over forty hours in a given workweek. An employee may accumulate up to forty (40) hours in compensatory time credits. In the event an employee accrues more than forty (40) hours of compensatory time credits, the employee must either use the excess compensatory leave credits within the pay-period in which it is earned or forfeit the credits. An employee must use all compensatory leave credits within the calendar year in which they are earned or forfeit those credits.

Termination from Employment – An employee whose employment with the District is terminated will receive cash payment for unused compensatory credits to which the employee is properly entitled at the employee’s then current rate of pay.

Over Time – As of April 18, 2012 a motion was made to authorize the District Manager to allocate compensatory time off or pay at 1 and ½ times the employee’s normal wage for additional work exceeding their normal scheduled working hours by the Board of Directors. This is not to exceed the predetermined amount budgeted at the beginning of the year unless through Board approval. Payment of the over time wage will be made in the next paycheck. All over time requests are to be made by the staff prior to performing the work. This is optional and the employees may turn down requested over time.

703 Call-In Pay

Compensation – In the event an FLSA non-exempt employee is called in to work outside of the employee’s regular work schedule, the employee shall be credited for pay purposes with the greater of either two (2) hours time or the time actually worked.

704 Pay Period and Pay Distribution

Payroll Period – Normally, full time employees are paid on a semi-monthly basis. The full time employee amount will be based on annual salary calculated by 24 pay periods annually. Timesheet accountability will still be maintain bi-weekly. An employee’s pay will be based on the amount earned during the preceding payroll period. Part-time and seasonal employees are paid on a biweekly basis. These hours are based on the number of hours worked based on the bi-weekly pay period. Certain employees may be paid on a different schedule as established by the District Board.

Payday – Under normal circumstances, direct deposit will occur for full time employees on the 15th and last day of the month. This may changed is the 15th or the last day of the month falls on a weekend; if so, pay will be deposited on the last business day closest to those days.

Part time employees will be paid on the Tuesday following the two-week pay period. In the event the payday is a designated holiday, pay will be distributed on the previous workday or the date following the holiday.

Distribution – The District Secretary/Treasurer is responsible for distribution of pay to employees.

Direct Deposit – The District provides a direct deposit option for employees. If elected, the pay will be deposited directly into the employee's account at the designated financial institution. The employee must submit a signed, written authorization for direct deposit to the District Secretary/Treasurer.

705 Payroll Deductions

Statutory Deductions – The required portion of an employee's pay for federal and state taxes, and any other deduction required by law, will be deducted from the employee's paycheck. Such deductions will be noted on the paycheck.

Voluntary Deductions – Payroll deductions provided through the District's payroll system will be made from an employee's paycheck when authorized by the employee. Such deductions will be noted on the paycheck.

706 Deferred Compensation Plan

Summary – The Wayne County Soil & Water Conservation District has established a Deferred Compensation Plan whereby a portion of an employee's salary may be voluntarily withheld and invested. The money saved is paid out to the employee at a later date, generally during retirement years. Neither the deferred amount nor earnings on investments are subject to current Federal and State Income Taxes. Taxes become payable when the deferred income plus earnings are distributed to the employee, presumably at retirement when the tax bracket may be lower. A description of the plan may be obtained from the District Secretary/Treasurer.

805 Disclosure of Insurance Benefits

Summary – The following is a brief description of the insurance benefits currently offered by the District to eligible employees. Eligibility for benefits is dependent upon a variety of factors, including employment classification and length of service. The description of the benefits provided is only an overview. The plan documents or specific government regulation provide a full description of the specific benefit.

Plan Administrator – The District Manager serves as the Administrator of the District's benefits plans. The Administrator is responsible for all communications and disclosures concerning District benefits and is available to answer questions concerning the benefit plans.

Plan Documents – Benefits are administered according to applicable government regulation, benefit plan documents, insurance carrier master policy, or District policy. Should there be a discrepancy between the information presented in this Employee Handbook and the benefit plan document, the District Board has the discretionary authority to determine eligibility for benefits and to interpret the plan's terms. The District Board is responsible for compliance with all applicable laws and regulations. The District Board may, at its discretion, change carriers and/or offer alternative insurance plans.

Changes in Benefits – Any benefit offered by the District to employees is subject to change or discontinuance by resolution of the District Board.

Waiver of Benefits – An employee who is eligible to participate in any of the available insurance plans but who elects not to participate must sign an appropriate waiver of enrollment form.

Enrollment Information – The District Secretary/Treasurer will provide the employee with the enrollment forms and assist with the administrative and operational aspects of the various insurance plans. Enrollment in a benefit plan is not automatic. Employees must complete the appropriate enrollment forms and applicable payroll deduction authorizations in order to receive benefits.

Changes in Status – Employees whose status changes from full-time to part-time are notified of the changes to their District benefits. This notification contains all legally mandated information regarding applicable benefits, including COBRA health insurance continuation. An employee must immediately notify the District Secretary/Treasurer in the event that the employee has a change in marital or family status that may affect coverage, such as marriage, divorce, legal separation, death of a spouse or dependent, acquiring or losing a dependent, or a change of address.

Beneficiary – Under some of the District’s benefit plans, each employee must designate a beneficiary for the employee’s death benefits. This designation must be made in writing and on the form provided by the Administrator.

806 Medical Insurance

Eligibility – The District currently offers medical insurance coverage to each full-time employee and their eligible family members. A part-time, temporary, or seasonal employee is not eligible for medical insurance coverage.

For purposes of this section, “Eligible Family Members” shall be deemed to include a domestic partner (if qualified under the applicable insurance plan), provided that an acceptable sworn statement is provided to the District Manager supporting the existence of the domestic partner relationship.

When Coverage Begins – Coverage will begin on the first day of service to the District, provided all eligibility requirements of the insurance plan are met.

When Coverage Ends – Coverage ends on the last day of the month in which the employee separates from employment. Coverage may continue for such eligible employees in accordance with COBRA regulations. Coverage will continue for eligible retirees in accordance with District policy and plan documents.

Premium Payment – The District will pay 100% of the premium for individual or family medical insurance coverage, as the case may be, for each eligible full-time employee who was hired prior to August 1, 2002. The District will pay 80% of the premium for individual medical insurance coverage and 80% of the premium for family medical insurance coverage for those employees hired on or after August 1, 2002.

Pre-Tax Insurance Premiums – The employee’s contribution towards the health insurance premium will be paid with pre-tax dollars. Deductions are taken from the employee’s paycheck before federal, state, and social security taxes are calculated. This reduces the employee’s taxable income and increases net take-home pay.

Changes in Premium Contributions – The amount of the insurance premium an employee is required to contribute is subject to change by resolution of the District Board. The District Board will provide a two-month written notice of such change.

807 Medical Insurance Option-Benefit

Eligibility – A full-time employee who is eligible for medical insurance coverage made available through the District may apply for an alternative benefit annually. For employees that may secure insurance through another service such as a spouse, parent or domestic partner, a full time employee may opt-out of medical insurance made available by the District. In lieu of the medical benefit only, the employee will receive a cash benefit of \$1,500.00. This option will need to be re-applied for annually during the open enrollment period and requires the employee to provide proof of other medical insurance. Payment will be made the first pay period in December.

The District Board reserves the right to review the policy during the November Board meeting annually and to amend the policy in accordance with District needs.

New Employee – If a new employee was to qualify for this benefit, the benefit would be pro-rated by the number of months worked within the insurance period by the hire date.

Reinstatement – In the event the employee loses coverage under an alternate insurance plan, the employee may resume coverage under a medical insurance plan made available through the District. Coverage will become effective in accordance with the provisions specified in the plan documents, provided that the employee meets all eligibility requirements of the insurance plan. If this was to occur the employee automatically waves the Medical Insurance Option Benefit.

Changes – This policy may be changed or eliminated at any time by resolution of the District Board.

808 Medical Insurance for Retirees

Coverage – The District currently provides medical insurance coverage to an eligible full-time employee who was hired prior to August 1, 2002 and who retires from the District, given that the former employee had twenty-five (25) years of creditable service as a minimum. In the event the retiree becomes deceased all coverage is terminated. Retiring employees who were hired after August 1, 2002 and have twenty-five (25) years of creditable service will be eligible for membership in the existing health plan with the District paying 50% of the premium and the remaining 50% paid by the individual until the individual becomes deceased.

Plan – The District will make available the same medical insurance plans offered to then current employees. The District Board may, at its discretion, change the plans at any time, including, but not limited to, type of coverage, retiree contributions, and type of carrier. Coverage under a medical insurance plan made available through the District will continue until the retiree meets the eligibility criteria for Medicare coverage, at which time primary coverage will be provided by Medicare. At that time, the retiree may be required to change medical insurance plans in order to maintain supplemental coverage.

Pre-Tax - District insurance coverage will be accounted within each payroll check before tax in concert with the Federal Guidelines for health and medical insurance coverage.

810a Continuation of Health Insurance Benefits (COBRA)

Summary – New York State regulation (referred to herein as COBRA) offers “qualified beneficiaries” the right to continue existing health insurance coverage, completely at their own expense, under certain qualifying conditions. All required premiums and administrative fees must be paid in a timely manner in order for coverage to continue.

Eligibility – An individual is a “qualified beneficiary” if the individual is covered under a group health plan on the day before a qualifying event as either a covered employee, the spouse of a covered employee or, or a dependent child of a covered employee. A child who is either born to or who is placed for adoption with the covered employee during a period of COBRA coverage is also a “qualified beneficiary” entitled to COBRA coverage.

Qualifying Events – If a qualified beneficiary loses coverage under a group health plan as a result of a “qualifying event,” the qualified beneficiary is entitled by COBRA to the continuation of group health insurance coverage at the qualified beneficiary’s own expense and for a limited time as described below. The COBRA requirements do not put any limit on the number of times a qualified beneficiary may be entitled to COBRA continuation coverage. COBRA coverage is in effect for a period of up to eighteen, twenty-four, twenty-nine, or thirty-six months, depending upon any of the following qualifying events:

- An eighteen month continuation will be available to a qualified beneficiary in the event of the covered employee's termination of employment for any reason except gross misconduct, or the covered employee's loss of eligibility to participate due to reduced work hours.
- A twenty-four month continuation will be available when a covered employee is on a leave of absence due to military service obligations.
- A twenty-nine month continuation will be available to a qualified beneficiary in the event that the qualified beneficiary is disabled, per a determination under the Social Security Act, or becomes disabled within the first sixty days of COBRA coverage. The qualified beneficiary must provide the plan administrator with notice of the disability within sixty days of the determination of the disability by Social Security and before the end of the original eighteen-month COBRA coverage period. The qualified beneficiary

must notify the plan administrator of a determination by Social Security that the individual is no longer disabled within thirty calendar days of such determination.

- A thirty-six month continuation will be available to a qualified beneficiary in the event of any one of the following:
 - * Death of a covered employee;
 - * Divorce or legal separation from a covered employee;
 - * A covered dependent child's loss of eligibility to participate in the insurance plan due to the covered employee becoming covered by Medicare as a result of total disability or choosing Medicare in place of the insurance plan at age sixty-five; or
 - * A covered dependent ceases to be a "dependent child" under the health insurance plan.

Limitations – In the event an employee becomes covered by Medicare, but no loss of coverage results for the employee or the covered dependents, and a subsequent qualifying event occurs, the duration of coverage for all qualified beneficiaries will be thirty-six months from the date of the termination or reduction in hours. A qualified beneficiary may be covered under multiple qualifying events, but in no case will coverage be continued for more than thirty-six months.

Change in Beneficiary Status – An employee must notify the District within sixty calendar days of a legal separation or divorce or when a dependent is no longer eligible for insurance due to the age limitations or educational status requirements established by the insurance plan. The District will not be responsible for any loss of coverage resulting from failure by the employee to give notification of such an event.

Enrollment Information – The District Secretary/Treasurer will provide the employee with the enrollment forms and assist with the administrative and operational aspects of COBRA. Enrollment is not automatic. The employee must complete the necessary enrollment forms and return all COBRA forms to the District secretary/Treasurer within the time indicated. If the required forms or premium payments are not received at the time specified, medical insurance coverage will cease.

Likewise, the District prohibits employees, vendors, suppliers, visitors, customers, and any other non-employee from discriminating against District employees based on these protected groups. The District may require medical documentation or other information necessary to verify the existence of the disability and the need for

accommodation. Following receipt of an accommodation request, the District will meet with the requestor to discuss and identify the precise limitations resulting from the disability and the potential accommodation(s) that the District might make to help overcome those limitations.

The District will determine the feasibility of the requested accommodation considering various factors, including, but not limited to the nature and cost of the accommodations(s), and the accommodation's impact on District operations.

Pre-Employment Inquiries – Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position and not any disabling condition. 903 *Non-Discrimination and Harassment (Including Sexual Harassment) in the Workplace*

Policy Statement – It is the policy of the Wayne County Soil & Water Conservation District to promote a productive work environment and to prohibit conduct by any employee that disrupts or interferes with another's work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Wayne County Soil & Water Conservation District is committed to educate employees in the recognition and prevention of workplace discrimination and harassment, including sexual harassment, and to provide an effective means of eliminating such discrimination and harassment from the workplace. Any conduct that discriminates against, denigrates or shows hostility or aversion towards a person on the basis of gender, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, genetic predisposition, sexual orientation, or any other protected status is strictly prohibited. In short, the District will not tolerate any form of discrimination or harassment, including sexual harassment, and will take all steps necessary to prevent and stop the occurrence of such harassment in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment, including sexual harassment, without any risk of repercussion to an employee who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all employees, supervisors, and Board Members, whether employed full or part-time, temporary or seasonal, whether elected or appointed and regardless of compensation level, and all personnel in a contractual relationship with the District. Depending on the extent of the District’s exercise of control, this policy may be applied to the conduct of non-District employees with respect to harassment of District employees in the workplace.

Supervisory Responsibility – Supervisory personnel are responsible for ensuring a work environment that is free from discrimination and harassment, including sexual harassment. Supervisors must take immediate and appropriate corrective action when instances of discrimination or harassment come to their attention in order to assure compliance with this policy.

Prohibited Activity – No employee shall either explicitly or implicitly ridicule, mock, deride, or belittle any person. Employees shall not make offensive or derogatory comments based on race, color, sex, religion, national origin, or any other protected status either directly or indirectly to another person. Employees shall not produce offensive or inappropriate written materials (e.g. letters, e-mail messages, or graffiti.) These are examples of harassment that are a prohibited form of discrimination under State and Federal employment law and also considered misconduct subject to disciplinary action by the District; it is not intended to be a comprehensive list and does not limit the District’s ability to take disciplinary action in other appropriate instances.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace. Sexual advances that are not welcome, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- Submission to such conduct is made, either explicitly or implicitly, a term of condition of an individual’s employment; OR
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions, such as promotion, transfer, or termination, affecting such individual; OR
- Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment.

Sexual harassment refers to behavior that is not welcome, that is personally and objectively offensive, that fails to respect the rights of others, that lowers morale and that, therefore, interferes with an employee’s work performance and/or effectiveness or creates an intimidating, hostile or offensive working environment. Exposure to such conduct that serves to alter the terms and conditions of employment is prohibited by this policy and state and federal law.

Forms of Sexual Harassment – Specific forms of behavior that the Wayne County Soil & Water Conservation District considers sexual harassment and which are prohibited include, but are not limited to, the following:

- Quid pro quo threats or promises by a supervisor (loss of job or promise of job, promotion, or other employment benefit).

- Verbal harassment of a sexual nature related to an employee's gender, including sexual innuendoes, slurs, sexual slurs, suggestive, derogatory, insulting or lewd comments or sounds, whistling, jokes of a sexual nature, sexual propositions and/or threats.
- Sexually oriented comments about an employee's body that are unwelcome and/or unreasonably interfere with an employee's work performance or create an intimidating, hostile, or offensive working environment.
- Any sexual advance that is unwelcome or any demand for sexual favors.
- Sexually suggestive written, recorded or electronically transmitted material, showing or displaying pornographic or sexually explicit objects or pictures, graphic commentaries, leering or obscene gestures in the workplace such that it unreasonably interferes with an employee's work performance or creates an intimidating, hostile, or offensive working environment.
- Physical contact of any kind which is not welcome, including touching, grabbing, hugging, fondling, jostling, petting, pinching, coerced sexual intercourse or sexual relations, assault or intentional brushing up against a person's body.

Reporting of Discrimination and Harassment (including Sexual Harassment) – Employees are encouraged to report incidents of harassment (including sexual harassment) to their supervisor and/or District Manager as soon as possible after their occurrence. If the employee's supervisor is believed to be involved in the incident, or if the employee is not comfortable in addressing the matter with the supervisor, the report should be made directly to the District Manager. If the District Manager is the source of the alleged harassment, the employee should report the problem to a District Board member. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their supervisor, the District Manager, or any member of the District Board. Employees who work during off-hours are encouraged to contact their supervisor, their supervisor, the District Manager, or any member of the District Board at home if these individuals do not work during the employee's shift.

Confidentiality – Complaints of harassment will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the District to third parties or to anyone within the District employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Investigation of Complaint – The District Manager will determine the appropriate individual(s) to conduct the investigation. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. The particular facts of the allegation will be examined individually, with a review of the nature of the behavior and the context in which the incident(s) occurred. Any complaints received will be investigated promptly, thoroughly, and in as impartial a manner as possible. All employees are required to cooperate in an investigation, if so directed.

Employee Defense – Any employee charged with discrimination or harassment, including sexual harassment, will be afforded a full and fair opportunity to offer and present information in their defense. Such information will be confidential to the extent possible.

- **Chemical Inventory** – The District must maintain an inventory of all known chemicals in use. An employee may obtain the chemical inventory from the employee's supervisor.
- **Container Labels** – All chemicals located at a worksite must be stored in the original or approved containers with the proper label attached. The supervisor must ensure that each container is labeled with the identity of the hazardous chemical contained and any appropriate hazard warnings. The District will rely on manufacturer applied labels whenever possible. A container that is not labeled or on which the manufacturer's label has been removed, must be properly labeled. A container not properly labeled must be given to the supervisor for labeling or proper disposal.
- **Dispensing Chemicals** – An employee may dispense chemicals from original containers only in small quantities intended for immediate use. Any chemical leftover must be returned to the original container or to the supervisor for proper handling. No unmarked containers of any size are to be left in the work area unattended.

Material Safety Data Sheets (MSDS) – An employee working with a hazardous chemical shall obtain a copy of the Material Safety Data Sheet (MSDS) and a standard chemical reference from the employee's supervisor.

An employee who is required to wear special safety equipment as directed by the supervisor must comply with the supervisor's request.

Emergency Response – Any incident of overexposure or spill of a hazardous chemical/substance must immediately be reported to the employee's supervisor. The supervisor must insure that proper emergency response actions are taken.

Hazards of Non-Routine Tasks – The supervisor must inform employees of any special tasks that may arise which would involve possible exposure to hazardous chemicals. Review of safe work procedures and use of required PPE must be conducted prior to the start of these tasks. Where necessary, areas will be posted to indicate the nature of the hazard involved.

1100 COMMUNICATION PROCEDURES

1101 Organizational Communications

Summary – The District Board is committed to assuring effective communications between the Board and employees. The success of the organization is dependent upon a set of common interests and goals that are achieved through teamwork, sharing of ideas, and effective communications of our short-term and long-term plans. From time to time, information and updates will be distributed to employees. All employees are encouraged to discuss this information with their supervisor should there be any questions.

Methods of Communication – Information will be communicated to employees in a variety of ways, including general and departmental meetings, memos and other written correspondence, notices distributed with paychecks, and posting of information. Employees should check bulletin boards frequently to keep informed on changes in employment matters and other items of interest. All material to be posted on bulletin boards, including memos and announcements, must have the prior approval of the appropriate supervisor.

Policy Statement – An employee who receives any communication of a negative nature directed to the District, or to any of its officers or employees in their official capacity, shall immediately notify and/or forward the communication to the appropriate supervisor. The term “communication” shall refer to both written and verbal communications, and includes, but is not limited to, memoranda, faxes, messages, letters, legal notices, e-mails, summonses and other communications.

1103 Suggestions

Policy Statement – Giving and receiving feedback is encouraged in order to promote a positive, productive, and cooperative atmosphere. Employees should notify their supervisor of any suggestions which may be valuable to the District’s productivity and success. All suggestions will be carefully reviewed and may be implemented if feasible.

1104 Public Relations

Policy Statement – The courteous, professional treatment of members of the public by all employees helps to build confidence among the citizens we serve. We ask that all employees make every effort to represent the District in a polite and professional manner.

Public Appearances – A District employee may on occasion be asked to speak or appear in an official capacity as a representative of the District before various groups or organizations (e.g. Chamber of Commerce, Rotary Club, schools, neighborhood groups, etc.). The employee must obtain prior approval from the District Manager before agreeing to do so.

1200 DISPUTE RESOLUTION

1201 *Dispute Resolution Procedure*

Policy Statement – The District Board has established a set of procedures to provide for the orderly resolution of differences at the earliest possible stage and to promote a harmonious and cooperative relationship between employees, supervisors and members of the District Board which will enhance the overall operation of the District. The District will attempt to resolve all work-related complaints that are appropriate for handling under this policy.

Definition of Dispute – For the purpose of this Employee Handbook, a “dispute” will mean a claimed violation, misinterpretation or inequitable application of any of the provisions of this Employee Handbook. In addition, the term “dispute” shall not apply to any matter as to which the District is without authority to act. A few examples of matters that may be considered appropriate disputes under this policy include:

- A belief that District policies, practices, rules, regulations, or procedures have been applied in a manner detrimental to an employee;
- Treatment considered unfair by an employee, such as coercion, reprisal, harassment, or intimidation;
- Alleged discrimination because of race, color, sex, age, religion, sexual orientation, national origin, marital status, disability; or any other protected class; and
- Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, salary, or seniority.

Step One – An employee who claims to have a dispute may present the dispute to the employee’s supervisor. The dispute must be submitted, in writing, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge. The dispute will specify the date of submission, the name of the aggrieved employee, the date the dispute arose, the nature of the dispute, the provision of the Employee Handbook that was allegedly violated and a statement of facts, times, dates, and the remedy sought.

Within seven working days after receiving the dispute, the employee’s supervisor will meet with the employee to discuss and attempt to resolve the matter.

Step Two – In the event the informal dispute is not resolved at Step One, or the employee reasonably believes that the employee cannot present the dispute to the employee’s supervisor, the employee may submit the matter to the District Manager. The dispute must be submitted, in writing, within seven working days from receiving the Step One response, or when the response should have been received or if Step One is not utilized for the above reason, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge.

Within seven working days after receiving the dispute, the District Manager will meet with the employee to discuss and attempt to resolve the matter. Within seven working days from the meeting, the District Manager will issue a written response.

Step Three – In the event the employee is not satisfied with the response at Step Two, the employee may submit the matter to the full District Board by filing a Request for Hearing with the District Clerk. The Request for Hearing must be submitted, in writing, within seven working days from receiving the Step Two response, or when the response should have been received. The Request for Hearing will include a written statement of the dispute as outlined in Step One of this Procedure.

The District Board will set the time and place for the hearing. All decisions rendered by the District Board will be final and binding.

Time Limits – The employee must adhere to the time limits set forth in this dispute procedure. In the event the employee does not advance the dispute to the next step within the established time limit, the dispute will be considered withdrawn and no further appeal will be accepted. The time limits may be extended by mutual agreement provided the extension is in writing, dated and signed by the employee and the person who is to receive the dispute.

Final Decisions – Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are stated as official District policy.

Proper Use of Dispute Resolution Procedure – Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises a dispute in bad faith or solely for the purposes of delay or harassment, or repeatedly raises meritless disputes. Implementation of the dispute procedure by an employee does not limit the right of the District to proceed with any disciplinary action that is not in retaliation for the use of this procedure.

Refusal to Proceed with Dispute – The District Board may, at its discretion, refuse to proceed with any dispute it determines is improper or baseless under this policy.
