TEAMS NEEDED

Compete in our first ever water chestnut hand pull competition! on Saturday July 21st. Bay Bridge Sodus Point (Lake Shore Marshes) Teams of 4 will compete in 3 different events.

Water Chestnuts are an invasive aquatic species that will out compete native vegetation and grow into thick, dense mats. These mats are problematic for boaters and anglers as well as fish and wildlife alike.

Help us protect our local waterways. For more info and to sign up visit:
