## Rodeo® specialty herbicide

**Active ingredient:** *glyphosate*

- Same formulation as Accord® Concentrate
- Labeled for multiple use sites - roadsides, rights-of-way, forestry and aquatic
- Broad-spectrum grass, broadleaf weed and brush control
- Nonselective and nonvolatile
- Controls entire plant – roots and all
- More convenient to use in difficult-to-reach areas than mechanical methods
- Binds readily with soil particles
- Available in returnable, refillable containers through [Continuum™ Prescription Control & Container Management System](#)
